

AUSTRALIA CULTURE AND MEN

GMS has arranged a meeting on 22nd July at 6:00 P.M for all Sudanese men to discuss matters on their culture. The discussion will be lead by Mr. Eric DeBrugh. During the meeting further get-together, trips and activities will be planned for all the Sudanese men. Free food and drinks will be provided to make the evening warm and comfortable.

GMS is encouraging everyone's presence to make the discussion better. Here is a chance for all of you to speak of your own culture.
